

Face-Shield - Datasheet

The Face-shield offers a practical & efficient solution and makes everyday life easier.

Optimal for people in direct customer contact. Suitable for places that cannot be protected by fixed Plexiglass walls (e.g. supermarkets, hairdressers/cosmetics-stores, workshops, sales-stores, schools/colleges, consulting firms)

The Face-shield is an effective protection against the exchange of droplets in direct contact scenarios

- The visor covers the entire face
- Sweat resistant, glare and fog free
- Allows complete Disinfectioning
- Allows head movement without restrictions
- A variable and padded Velcro strap provides a pleasant wearing comfort
- The clear face-shield is made of a high-quality plastic
- The visor can be raised up (enables e.g. working on the computer)
